## Top 10 Reasons to work for OCWA

1. **Work for the best.** The Ontario Public Service is voted one of the top 100 employers in Canada.
2. **Make a Difference.** The work you do directly benefits the environment, communities and people in Ontario.
3. **Plan your career path.** OCWA hires many of its co-op placements as full-time employees.
4. **Invest in your future.** We invest in training and developing employees to reach their potential.
5. **Join a great team.** The employees at OCWA have passion and purpose and value the work they do in the communities they serve.

OCWA actively supports Youth Employment and Educational initiatives and mentoring through our various programs. With Ontario colleges and universities, we connect students to Co-ops and Job Placements. OCWA also invites youth 15-24 to learn a water career through our Summer Experience Program while grade 8 students can test out the water workforce during the school year through our OneWater program. Our [Environmental Scholarship](#) is an initiative developed for indigenous students to gain meaningful experience in the water and wastewater industry.

The Ontario Clean Water Agency produces clean, safe water for Ontario homes, businesses and industries. As the largest clean water service provider in Ontario, we operate facilities ranging from small ground-water systems and lagoons to some of the most comprehensive water and wastewater systems in Canada. With our provincial scope, OCWA offers plenty of career opportunities in every region of Ontario.
