Operator of the Year Nomination Form

AWWAO recognizes that there are First Nation Operators in Ontario who go above and beyond doing a good job; they provide an example for others of the many facets of being an Operator, particularly in supporting the other activities of other Operators. They make the extra effort to support their fellow Operators, and teach others what they have learned through many years of working in the field. Often, they encourage others to become more involved including training opportunities. They go out of their way to help everyone in the water and wastewater field. They volunteer to help others, they serve on committees, and all while doing the things that are necessary to be considered "good at their job." If you know of a First Nation Operator who is an AWWAO Member that fits this bill, please nominate him/her below.
